**Imposition of tax on Agricultural Income**

2067. DR. BIPLAB DASGUPTA: Will the Minister of FINANCE be pleased to state whether Government are contemplating the introduction of legislation (the legislation on panchayats) that would make it compulsory for the State* to pass legislations for imposing tax on agricultural income and would also ensur? that such laws would not be struck down by the judiciary?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V CHANDRASHEKHAR MURTHY) : No, Sir.

**Borrowing by ENRON**

2068. SHRI MD. SALIM :

SHRI B. K. HARIPRASAD : Will the Minister of FINANCE be pleased to state:

(a) whether it a fact that ENRON bidding foi the Dabhol Power Project hns been permitted by Government of India to raise dollar denominated loani from overseas markets at an exhorbitant rate of 13 per cent interest;

(b) whether the United States o" America has a system of providing suppliers' credit at close to LIBOR (7 per cent of interest) through its Exim Bank, and if so, why India did not press for such an arrangement; and

(cl wl«t is the ouantum of undue benefits ENRON would get out of this borrowing at higher rates of interest aonrf from a net 16 per cent return as sured in investments through a counter sovereign guarantee by Government ot India? . , ._,

THE MINISTER OF STATE IN THE MINISTRV OF FINANCE (SHRI M. V CHANDRASEKHAR MURTHY) : (a) No, Sir. The total external finance proposed to be raised by the Dabhol Power Company is USD 550 million for which in floating rate terms, the weighted average foreign currency spread over US Treasuries is 2.4% per annum currently 10 year US Treasuries have a coupon rate of less than 8% per annum at par).

(b) There are two methods of establishing the level of minimum interest rates on export credits which are officially supported the general matrix rate that will be available upto January 14, 1995 to the Organisation for Economic Cooperation and Development Consensus Category HI countries, which includes India, and the Commercial Interest Reference Rates that are market ralated and are announced each month. The finance plan of the Dabhol Power Company envisages a loan of USD 302 million from the Export Imoprt Bank of the United States wherein the interest would be applicable at the old OECD Consensus rate of 5.95% p. a., even though currently the Consensus rate is 7.35% p. a. on officially supported credits.

(c) Not applicable in view of the answer to pait (a) above.

**Capital Adequacy Norms**

2069. SHRI GAYA SINGH :
SHRI N. GIRI PRASAD: Will the Minisier of FINANCE be pleased to state:

(a) whether all the Public Sector banks including SBI and Associated brinks have complied with the Capitnl adequacy norms stipulated by Government/RBI;

(b) if so, the names of the banks and their respective capital ntios ; and

(c) if not, the banks who have defaulted and the extent of shortfall of capital ratios?

THE MINISTER OF STATE IN THE MINISTRV OF FINANCE (SHRI M. V CHANDRASEKHAR MURTHY) : (a) and (b) Reserve Bank of India (RBI) has intimated that Indian banks which do not have their branches abroad were required to achieve 4% capital to Risk Asset Ratio (CRAR) by 31st March, 1993 and 8% by 31st March, 1996. However those banks which have their branches abroad are required to achieve the 8% norm by 31st March. 5995. Among nil the Public *Secto** B^^s birring Punjab National Bank which has ve; to finalise its balance sheet, names of banks which have achieved at least 4% CR AR. as at 31st March, 1994, are given below :—

| | NAME OF THE BANK | CRAR |
|---|---|---|
| 1. | State Bank of India | 12.9% |
| 2. | State Bank of B & J | 4.6% |
| 3. | State Bank of Hyderabad | 6.2% |
| 4. | State Bank of Indore | 4.8% |
| 5. | State Bank of Mysore | 4.6% |
| 6. | State Bank of Patiala | 11.2% |
| 7. | State Bank of Travancore | 4.3% |
| 8. | State Bank of Saurashtra | 4.92% |
| 9. | Bank of Baroda | 9.1% |
| 10. | Canara Bank | 12.1% |
| 11. | Corporation Bank | 9.4% |
| 12. | Dena Bank | 6.7% |
| 13. | Oriental Bank of Commerce | 10.2% |
| 14. | Union Bank of India | 9.7% |
| 15. | Vijaya Bank | 5.7% |

(c) Information is being collected and will be laid on the Table of the House.

**Minimum Capital Adequacy Ratio**

2070. SHRI GURUDAS DASGUPTA :
SHRI N. GIRI PRASAD :

Will the Minister of FINANCE be pleased to state :

(a) whether public sector banks have-been advised by the Government to resort to public issues only if it is necessary to do so, to reach minimum capital adequacy ratio;

(b) if not, for what other purposes can banks resort to public issues ; and

(c) the names of banks which have come out or likely to come out with public issues during 1993-94, 1994-95 and 1995-96 and the level of their Capitnl ratio present and projected after the issues?

THE MTNISTER OF STATE IN THE MINISTRY OF FINANCE (SHRI M. V. CHANDRASEKHAR MURTHY) : (a) No, Sir.

(b) In addition to achieving the capital adequacy ratio, the public sector bnnks have fo raise their level of capital for the following reasons also :

1. With the growth in deposits, funded r^k assets and ofT-balance sheet items would increase commensuratelv and this would necessitate enhancement in net-worth to comply with capital adequacy norm.

2. As per the present RBI guidelines or lending under consortium arranee-ment the share of n bwnljt ',I a member of the consortium should be a mHmum of 5 per cent of the fund based credit limits so as to ensure meaningful participation.
